Check out the latest topics added by Sahalli members! Topics are broad categories used to organize references. The box includes a topic description and a list of the latest related references.

Reference links with details section, providing a summary and other related topics (opens a new window).

Different reference icons refer to different reference categories (i.e. webpage, blog, online news, book, video, etc.).

Check out the latest references added by Sahalli members! References are specific resources, such as a webpage or article. This box includes a weblink to the reference (opens a new window), a reference description, and the latest related conversations.

Text bubble indicates a conversation relating to a reference, which can include comments or questions.

Details section gives a reference summary and related topics. Registered members can start a conversation/discussion from the details section.

The screenshot shows the Population Sahalli website. At the top, there's a navigation bar with the logo and 'Population Sahalli' text. Below that, a search bar for 'References' and 'Topics' is visible. The main content area is divided into two columns: 'Latest Topics' and 'Latest References'. The 'Latest Topics' column includes sections like 'Case Study: Uganda' with a list of related links, and 'Population and Migration'. The 'Latest References' column includes 'USAID: U.S. Foreign Assistance Reform' with a 'Details' link, 'Population Assistance and Family Planning Programs: Issues for Congress', and 'U.S. AIDS Policy: Priority On Treatment, Conservatives' Approach to Prevention'. Each reference entry includes a summary and a 'Details' link. At the bottom, there are links for 'Support', 'Terms of Use', and 'Privacy'.
